

# BEAM SE

Retail Cash-In Solution

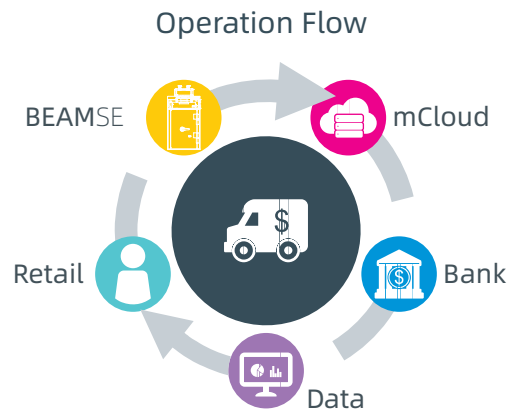

# Dynamic solution for retail cash management

Network based solution with latest technology brings innovation in day to day cash processing at your retail location.

Together with our mCloud solution makes daily cash information available across single or multiple sites.

Complete real time cash activities report optimizes cash flow operation, and reduces potential risks of cash shrinkage.

## Managements available for

User, Transaction, Safe, Deposit, Bank, CIT, Reports,

## Depositing Technology

100 Notes per deposit | Counting at 600 Notes/min.  
Notes SN Recognition | Supports multi-currency

## Remote Control

Preventive Measures

Convenient

mixed denomination  
banknotes handling

Secured

deposited cash are  
stored in cassettes.

User Friendly

GUI interface with touch  
screen display

Integrated

SOAP over HTTP(S), all info  
are gathered to Cloud

Unlimited  
Connection

connect as many as units  
desired

Efficient

real time updated direct  
depositing software

Fast

latest tech applied to  
optimize user experience

Database

Microsoft SQL Server  
or SQL Server Express
